

SENIOR SETTLERS

Skilled downsizing and relocation for Bay Area seniors

MASTER THE MESS!

Is the quantity of your possessions affecting your quality of life and relationships?

Senior Settlers' ICD* certified specialists can create a safe and welcoming home. Together, we'll set up organizational systems and share strategies that work.

However difficult the situation may seem, we don't judge or rush you.

Senior Settlers can help!

Senior Settlers' de-clutter team – Tammy Key and Kate Gilligan – have years of move coordinator and organizing experience. Equally important, they are patient, persistent, and personally committed to each client's wellbeing. Whether it's a home, office or garage, they bring mastery to the mess.

Benefits to de-cluttering include:

- Live a safer, healthier life
- Work more efficiently
- Find things when you need them
- Shrink your environmental footprint
- Feel more in control
- Invite people into your home
